

The Baking Grounds

A Bakery Cafe

The Baking Grounds Bakery Cafe, home of *I Do Cake*, is a real, old-fashioned bakery cafe which has been creating beautiful, unique, three dimensional cakes for all the special occasions in your life for over 50 years. A family tradition since 1958, we want to be your first choice for specialty cakes: anniversaries, weddings, birthdays, and all those special days in between. With over sixty years experience, our cakes are baked from scratch, fresh from the oven, from our family to yours.
